A chairde,

Best wishes to all our pupils making their Confirmation on Saturday next, with the visit of our Patron Bishop Thomas Deenihan to our parish. We hope that there will be great celebrations to mark the arrival of The Holy Spirit. Many thanks to Ms Dineen and Mr Galligan who have prepared them so well, and to Fr Paul for his spiritual guidance.

This Friday will be **Pink and Red Day**. Proceeds will be donated to Saint Francis Hospice Blanchardstown.

Tomorrow, February 11th is **Safer Internet Day**, which is an EU wide initiative to promote a safer internet for all users, especially young people. please check out this link for some great ideas: <https://www.webwise.ie/saferinternetday/>

Please note that we have had issues in our school around Cyberbullying and that it is important to supervise your children's use of the internet, in particular Viber, Facebook, Instagram, Snapchat, WhatsApp, Twitter etc. If you do come across inappropriate comments, remember to screenshot or take a photo of these comments, which could be helpful in resolving matters.

On Friday we will celebrate Intercultural Day in St Mary's. We are so fortunate to have families from all over the world in our school. Culture includes languages, food, music and tradition that enrich our experience of both life in Ireland and those of our neighbours. We welcome visitors to our classrooms to tell us about their own countries. If you (or a grandparent/minder/friend) are available to visit the school, please let the teacher know. You might like to read a story to children in your home language - we have children's books in the school in Polish, Lithuanian, Malayalam, Russian and many other languages. We extend an Irish "Céad míle fáilte" (One hundred thousand welcomes) to you all to visit St Mary's.

R McGale

Paired Reading continues for classes 1st to 3rd until the end of this month. Don't forget to mark in the book what you have read and try to do it every night.

Car Park: All parents/guardians are asked not to park in the yellow box or the special needs spaces in the car park. Keep a careful eye for children and pedestrians and ensure that your children walk on the paths. The co-operation of all is needed to ensure the safety of our children.

D.T. (Digital Technology) This week 1st and 2nd classes will be creating a story with three backgrounds and four sprites. They will create speech using the Looks option and the Say Hello block and then will Hide, Wait and Show three of the sprites in the story so that they appear at various times in the animation. This is building on from what they learnt last week. 4th and 5th classes will be working on researching projects they are doing in class and they will then learn how to save an image from the internet to use as a background to the animation they will make based on the research done above. 6th classes are preparing for their confirmation so they will use the information on their Saint's name to create an animation based on this Saint.

Ms Debby Walsh

World Book Day-Bookmark Competition.

Well done to all the boys and girls from First class to Sixth class who participated in the Meath County Council Library School Services, World Book Day Bookmark Competition. We had a big number of entries and the judges had a difficult job selecting five entries to represent our school.

Congratulations to the following pupils whose bookmark designs were chosen to go ahead to the final: Grace O'Donnell, Room 19, Mia Gajdos, Room 20, Sarah Ryan, Room 26, Jessica Shiels, Room 26 & Lucy Fanning, Room 27. The overall winner will be announced on Thursday, 5th March.

Enrolment: Offers of places were posted on Friday last, February 7th. Please contact us if you were expecting a letter and it has not arrived..

Mise le meas,

Cólín Ó Coigligh, Príomh Oide.

Green News

How wonderful it is to see the Green party taking up seats in our Dáil! Let's hope they can make a difference and that they will get the support of all in power to make the necessary decisions to combat climate change. This has to be high on the agenda. It is not an option anymore.

Here at St Mary's being green is still a priority. Global Citizenship - Marine is our green theme this year. We have undertaken several actions already and some of our classes have participated in surveys, presentations and workshops.

WOW continues this week. Meet up at the Matchbox or at Mornington House Car Park where you will be met by a teacher or SNA and you can walk down/up to the school from there. Well done to those who are always there!

Rebecca in Rang a 5 spoke at an assembly last Friday about the possibility of some classes taking part in a

Junkkouture project/competition. It sounds like a really exciting and enjoyable event. It involves creating and designing outfits using recycled items. Primary schools have been urged to get involved with Junior Junkkouture. See the link below.

<https://www.rte.ie/lifestyle/fashion/2019/12/12/1098765-junk-kouture-opens-its-doors-to-primary-schools-across-ireland/>

Recycling continues at St Mary's. We accept batteries, postage stamps, toilet rolls, cards, ink cartridges, cans, small plastic bottles, mobile phones and old greeting cards.

Remember being Green isn't just cool anymore, it's a must!

PAEDIATRIC ACUPUNCTURE SHONISHIN

Call 0879496516

Shonishin is a gentle, non-invasive form of Japanese acupuncture for children.

This type of Acupuncture does not use needles like the ones commonly associated with adult acupuncture, but various specialized tools that are used to gently activate acupuncture points & energy channels.

Treatment for children consists of pressing, rubbing, tapping or light brushing of the skin to provide a gentle stimulation.
