A Chairde,

I hope that everybody is safe and well. Now that we have all had a “break” from school work, it is time to consider returning to it. I would like to make two points in relation to this:

1. Parents/guardians decide on the amount of work that suits their situation and that includes “none”.
2. We have been exploring and indeed using different platforms like Google Classroom, SeeSaw, Class Do-jo etc but the bottom line is that an email will be sent at the beginning of each week, even if these platforms are being used.

In relation to Google for Education, (which includes Google Classroom and other apps) a permission letter was sent out before Easter. If you have not sent this back, please do so as soon as you can. Please also indicate “yes” or “no”. Thanks.

Fr Paul writes:

We hope to have a pre-First Communion Mass next Sunday at 11am and it will be broadcast on the local radio 107.7FM, starting at 11am.

I want to involve some of the children but I know they can't be physically present at the Mass.

Basically, I am asking four of the parents volunteers to record children from each of your schools reading the attached prayers of the faithful and the prayer before / after Holy Communion.

It is possible for them to make an audio recording using the voicemail option on Whatsapp; they will send the voices recordings to me, I'll collate them and play them during the radio Mass.

I hope to play a post Communion piece of music that the children will be familiar with but I'll select that during the week – any other suggestions will be welcome too.

I really appreciate the parents' help with this and I think we can have a nice Mass and prayer time for the children and their families. I want the children to know they're not forgotten but very much in my thoughts and prayers.

Our Easter Assembly was a fantastic success and we estimated that around 400 were present. Many parents/guardians were also present and we will be inviting them to sit with their children, if they wish, this Friday at 9.30. I will send the link on Thursday.

Green News

Stay home, stay green and stay hopeful and we will all get back together in time.
